Blessing

M. Flanders

May the East fling open your windows,
and fill your rooms with air;
May the South send you strong sunshine,
and give you the strength to dare;
May the west wash rivers into your
heart, and oceans into your soul,
May the North share the secrets and
gifts of the earth,
to heal and make you whole.

Quote of the moment:

The two most common things in the universe are hydrogen and stupidity.
